

## COVID-19 Tests in Tennessee

### Place Your Order for Free At-Home COVID-19 Tests

Residential households in the U.S. are eligible for another order of free at-home tests on USPS.com.

Each order now includes eight (8) rapid antigen COVID-19 tests. Your order of eight (8) tests will come in two separate packages (four tests in each package), each with its own tracking number. Packages will ship free.

Go to this website to order COVID-19 tests now:

**For a PCR (diagnostic) antigen test, go to the following website to identify locations.**

<https://covid19.tn.gov/testing-sites/>

NOTE: Not all COVID-19 tests are free. Some administer testing fees or bill your insurance. Call in advance to make sure.

**Test to Treat Sites for COVID-19 include most pharmacies and community health centers.** Go to a pharmacy that participates in the Test to Treat program (for COVID-19). If you test positive and are eligible you can receive a free prescription of Paxlovid to prevent serious illness. Paxlovid is should only be administered within five days of the start of COVID-19 symptoms. Call in advance to make sure.
